## TO THE TRADE

In presenting our sixteenth Annual Winter List I wish to thank our many customers for the liberal trade extended us in the past and to assure you of our appreciation of your continued patronage, which we shall make every effort to merit.

We urgently request correspondence and trial orders from new customers, feeling confident that you will be well pleased with our stock and method of doing business.

We have added to our equipment and plant until we now have one of the most complete and best equipped nursery plants to be found any where, placing us in a position to give the best of service.

In issuing this list we desire especially to interest you in Apple Seedlings and Root Grafts. Our facilities for handling this branch of the business are unsurpassed; with our large force of experienced help, storage buildings designed and built expressly for this work, we are able to grade, handle and pack in the best possible manner. Give us a trial, and be convinced.

Owing to the fact of there being an extremely short crop of Apple Seedlings, it is advisable to place orders for Grafts and Seedlings early in order to be sure of getting them.

## LOCATION AND SHIPPING FACILITIES

**W**E ARE located in southwest Iowa, fifty miles from Omaha, on well drained upland and have a fertile soil that cannot be surpassed in the United States. Three railroads (C. B. & Q., Wabash and K & W.) afford competition in freight rates and a rapid and convenient shipping outlet in every direction. Two express companies (Adams and Pacific) also give excellent service.

## TERMS AND CONDITIONS

**SHIPPING**—Please give shipping directions, whether by freight or express, also route. If no directions are given we forward to the best of our judgment, without assuming responsibility, as all goods travel at purchaser's risk and expense. All freight shipments released to the value of \$5.00 per cwt., unless otherwise instructed.

**PRICES**—The prices named in this list are for the wholesale trade only, and limited to winter 1906-07, and supercede all previous quotations on the stock offered herein, and are subject to change without notice. Should prices change either higher or lower during the season, the prices agreed upon at the time the order is accepted are expected to stand.

**CAUTION**—We accept all orders on the condition that they shall be void should injury befall our stock from frost, hail, fire or other causes over which we have no control.

**CLAIMS**—All claims for errors and deductions must be made within ten days after receipt of goods.

**TERMS**—To known responsible parties we extend the usual terms of credit. Orders from those with whose financial standing we are not acquainted must be accompanied by one-fourth cash or satisfactory references.

**PACKING—GRAFTS BOXED FREE**—On other stock we charge to cover cost. All packing carefully done in the best possible manner in paper lined boxes.

**GUARANTEE OF GENUINENESS**—While we exercise the utmost diligence and care to have our varieties true to name, and hold ourselves in readiness, on proper proof, to replace all trees, etc., that may prove otherwise, or refund the amount paid, it is mutually understood and agreed between the purchaser and ourselves that we shall in no case be liable for any sum greater than the amount originally received for said trees, etc., that prove untrue.

## ROOT GRAFTS

We make a specialty of this branch of the business during the winter season, and are well equipped for handling it.

As our supply of Apple Seedlings is limited, we will not be prepared to furnish the usual quantity of Apple Grafts; hence it is important to place orders early.

All Grafts are **carefully** assorted and only the best of material used in orders, so that customers can **depend on** getting a first class article. Orders should be placed early to secure the best **selection** of varieties and to give the Grafts ample time to **callous** before shipment. After our Grafts are made they are tied in bundles of 100, **each** bunch carefully labeled **and** packed **away** to callous.

### PRICES OF GRAFTS IN ASSORTMENT

“ “ “ “ “ whole root .....	1 50	12 00

In ordering please make list of varieties for 100 or multiple of 100 of a variety. Smaller quantities at hundred rates. Samples sent on application. Grafts Boxed Free.

We advise planting grafts at the earliest date in the spring, season will permit, to secure best results.

The Native Plum Root is considered the hardiest and best stock on which to Graft Plum. As a rule it is best to grow Plum by transplanting the Seedlings and budding them.

## ROSE STOCKS

Manetti No. 1, 5 to 8 mm ..... Incase \$10 00

## FRUIT TREE STOCKS

Our supply of American Grown Apple Seedlings is limited, but will accept orders while our stock lasts at prices quoted herein. We are importing a quantity of French Grown Seedlings and will be able to supply these for February shipment.

We import our Myrobalan Plum, French Pear and Cherry Seedlings direct from the best growers in France and carefully regrade upon arrival. They will give satisfaction.
